I N T H E B E G I N N I N G . . .

"In the beginning was the Word, and the Word was with God..." (Jn. 1:1)

We begin with a word and sometimes that is all we begin with. But when the word is from God and when the word is with God then that which springs forth is life giving and creative.

Again and again a word is given, and something arises out of nothing. Cowards are proclaimed mighty men, shepherds are anointed kings, a virgin gives birth, the dead rise again, all from a word.

The first disciples received a word, "Come, follow Me..." At the end of His earthly ministry Jesus gave His disciples another word, "Go...make disciples."

These two words stand for all and for all time.

We have begun with a word planted 20 years ago; "equip

others to reach their people." Confirmed again and again by others as well as the desire of our hearts. The last two sermons we heard at Living Waters Christian Church were

also confirmations. The first was about trusting God when He calls us to God sized projects—which entering into a missionary endeavor certainly is. The second was about launching out into the deep at Jesus' command, even when the command does not seem to make sense. From the point of view of many, changing careers at this stage of life, leaving what we have know, letting go salaried positions to ask others to support our new ministry. All this is certainly foolishness.

Even so, the foolishness of God is wiser than the wisdom of men. And every word of God is both creative and life giving. And so we begin!

O N A P E R S O N A L N O T E

Our biggest personal news is that Levi has graduated from Navy boot-camp. He is now in Goose Creek, SC and about to begin studies there. He is in the enlisted to officers program and expects to make Petty Officer in about three months. We are proud of him

and appreciate your prayers on his behalf.

If you have prayer requests, please e-mail and we will pray. If you don't have e-mail than feel free to call or write.
